D. A. RAMA RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 6th April 1937.

The attention of the public is invited to the Notification calling for tenders for the work of "Constructing a Pump House for Water Supply to Saklespur Town," published in Part VI, pages 528-529 of the *Mysore Gazette*, dated 8th April 1937.

The last date fixed for receiving tenders is 28th April 1937.

Notification dated 8th April 1937.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M., on 3rd May 1937, for the labour portion of the work for improving Water Supply to Chikmagalur Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1937.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 700 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the labour portion of the work for improving Water Supply to Chikmagalur Town," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Health in Mysore who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to deposit an additional amount of Rs. 500 and to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.

Approximate estimate of quantities of work for the labour portion of the work for improving Water Supply to Chikmagalur Town.

No.	Particulars	Unit	Quantity
1	Earthwork excavating pipe line trench of an average depth of 6 ft. for laying 6" C.I. pipe and refilling the same with consolidation	C.yd.	16,250
2	Carting 6" C.I. pipe from Chikmagalur Out-agency to the work spot and laying on the ground by the side of the existing main line from the Hirekolali tank to the storage reservoir including loading and unloading	Cwt.	6,670
3	Laying and jointing 6" C.I. pipes with lead joints including cuts wherever necessary and excavating caulking pits for each joint and making necessary arrangements for preventing percolation of water at the joints during lead jointing	No.	2,030

B. R. GARUDACHAR,
Sanitary Engineer.

WATER SUPPLY DIVISION, BANGALORE.

Abstract Notification dated 30th March 1937.

The attention of the public is invited to the notification regarding over recovery of advances made in the late Chamarj Sagar and Water Works Division, Thippagondanahalli, published on pages 502-504, Part VI of the *Mysore Gazette*, dated 8th April 1937.

V. GANESHA IYER,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 4th April 1937.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 24th April 1937, for constructing a building for the Co-operative Society at Magadi. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1937.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for construsting a building for the Co-operative Society at Magadi, in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond with an additional deposit of Rs. 500, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
